Special Wagers:

The Rainbow Pick 6 (P6) is a 20¢ minimum/maximum wager that pays the jackpot carryover to a single, unique winning 20¢ ticket. Multiple winners or "best of sixes" split 60 % of the daily net pool. The remaining 40 % of the daily net pool builds the jackpot carryover

The 12% Takeout Pick 5's (P5) are 50¢ minimum wagers:

The **Early Pick 5 (Encompassing the first 5 races)** comes with a Mandatory Payout of the daily Early Pick 5 net pool.

The **Late Pick 5 (Encompassing the last 5 races)** pays the daily Late Pick 5 net pool, along with any carryover from previous pools of that same Late Pick 5 wager to bets which contain all the correct selections. If no bet contains all the correct selections, the daily net pool created is divided with 25% going to "best of fives" and the remaining 75% of the pool carried over to the next program. **ONLY The Late Pick 5 has carryover potential.**

Jackpot Super High 5 (PF) is a \$1 minimum/maximum wager that pays the jackpot carryover to a single, unique winning \$1 ticket. Multiple winners split 50 % of the daily net pool. The remaining 50 % of the daily net pool builds the jackpot carryover. If there are no winning tickets, the entire net pool is carried over to the next qualifying race. This wager will be offered once daily in Race 6.
